

DEFENSIBLE SPACE - GRAVEL GRANT

Concow

Yankee Hill

Butte Creek Canyon

Magalia

Paradise

Creating a noncombustible zone around homes to increase wildfire safety in our community

\$ \$200-\$500 gravel voucher

for hardscaping Zone 0 - the 5 feet closest to your home

- Voucher amounts are \$200, \$350, or \$500. Award depends on your need and will be determined by a review committee
- We will partner you with a local aggregate company
- Choose gravel you like and amount you need
- Aggregate company will deliver* to your house for no extra fee
- Spread the gravel in Zone 0 (see top photo on right)

*Delivery determined by aggregate co. & may not be possible for some addresses

Do I qualify?

- I own and live in the house (or will live there after it is finished). It is located in the Camp Fire footprint. I do not intend to sell my home.
- My home does not already have hardscaping around the entire perimeter in Zone 0, but I am working on creating a noncombustible zone and am gravel ready.
- I can provide proof of home ownership, a utility bill, and photos of each side of my home.

If all of the above are true, then **YES!** You qualify

DEFENSIBLE SPACE - GRAVEL GRANT

Why a grant for rocks?

When living in a Wildland-Urban Interface (WUI) zone extra precautions should be made to keep your home safer from wildfire. One of the most effective things you can do as a homeowner is keep the area closest to your home (Zone 0) free of non-combustable materials.

In addition to making your home and community safer from wildfire by creating defensible space, doing so can also help you qualify for designations such as **Firewise Community** and **Wildfire Prepared Home**. Both of these programs certify a level of preparedness that earn you a special designation that some insurance companies recognize and provide discounts for.

More and more insurance companies are requiring homeowners in the WUI to harden their homes against wildfire and create defensible space in order to obtain and/or keep homeowners insurance. By simply maintaining a fire-resistant zone directly around your home, it is likely you may be eligible for discounts through your insurer. When you create a 5ft non-combustable zone we recommend letting your insurer know so they can check for discounts.

REBUILD PARADISE FOUNDATION DEFENSIBLE SPACE - GRAVEL GRANT APPLICATION

Please complete and turn in with required documents. Any missing information may result in processing delays.

APPLICANT NAME APPLICANT PHONE# APPLICANT EMAIL

CO-APPLICANT NAME CO-APPLICANT PHONE# CO-APPLICANT EMAIL

MAILING ADDRESS - STREET, CITY, ZIP
